

GOLF GUEST GUIDE THE BEDENS BROOK CLUB

Dress Policy:

The club has a strict dress policy; please remove hats upon entering the clubhouse. Hats must be worn with bill facing forward. Reasonably fashionable golf attire is required. Prohibited are jeans or denims, shirts without collar or sleeves, shorts that extend more than five inches above the knee and cargo shorts or cargo pants. If you have any questions, ask your host or call the Pro Shop.

Rules and Etiquette:

Please replace your divots on fairways and fix ball marks on greens. Please rake bunkers after use. Enter and exit bunkers from lower side; do not walk up or down bunker face. Lay rakes down and place them outside of bunkers only. Please do not drive golf carts or bring hand carts near the edge of bunkers or greens.

Guest Lockers:

Guest lockers are available in our locker room (Men's and Women's). Our locker room managers will direct you. Please change shoes in the locker room only. Soft spikes or spikeless shoes are required on the course.

Pace of Play:

The golf committee has established 4 hours as a reasonable amount of time for a group to play 18 holes. We encourage golfers to stay up with the group in front of them.

Cell Phone Use:

Talking on cell phones and personal communication devices (PCD'S) is prohibited on all Club property with the following exceptions only: the parking lot, the clubhouse phone room, the pool cabana and the men's and women's locker rooms. If you must have a cell phone with you, please set it to vibrate. The Pro Shop can point out designated cell phone areas at the club.

Tipping Policy:

You may tip only the starter/bag room and locker room attendants.
